# Webhannet River Boat Yard, Inc.

For our mutual satisfaction and protection, by signing this contract, I agree to the following Webhannet River Boat Yard policies and procedures:

- ✦ NO person other than Yard personnel, the boat owner and regular crew, is permitted to work on any boat in the Yard. **ALL subcontractors must** report to Boat Yard office.
- ✦ Only Yard personnel are permitted to move or adjust boat stands or blocking. **Never** tie rope or secure any objects to boat stands.
- ✦ Boat owners performing work, will keep the area around their boat clean at all times. WRBY will charge for clean up and disposal.
- ✦ We recommend that all permanent gas and diesel tanks be topped off prior to winter storage. We request that all portable fuel tanks and other flammables be removed from the vessel and stored off premises.
- ✦ Open flames and portable heaters are **prohibited** in any area of the yard.
- ✦ Electrical devices onboard, connected to power, should **NEVER** be left unattended.
- ✦ **Environmental Addendum** is attached outlining recommended practices as they pertain to recreational boaters. An environmental compliance surcharge will appear on some bills, this has become necessary to offset expenses incurred due to expanded EPA regulations.
- ✦ Any vessel not launched by June 30, will be subject to summer storage rate. Any vessel not removed by November 1, will be subject to Winter storage rate.
- ✦ WRBY does not loan tools-**NO EXCEPTIONS!!**
- ✦ Living upon or staying on board stored vessels over night is **strictly prohibited**.
- ✦ Maximum Speed limit in all yard areas is **5 mph**.
- ✦ WRBY reserves the right to subcontract work that we are unable to perform.
- ✦ Consultation time may be charged at the hourly rate.

## **SCHEDULING:**

Due to variable weather conditions and the increased demand for boats to be ready before Memorial Day weekend, the Yard cannot guarantee launch dates. WRBY will accept launch dates on a first come first serve basis until our schedule is filled. After that, boats will be launched and prepared for the owner as our scheduling allows.

## **NOTICE:**

**Webhannet River Boat Yard, Inc. shall have a lien on all property stored at the facility for rent, labor or other charges, and for expenses reasonably incurred in the sale of that property (if necessary), including reasonable attorney's fees and legal expenses, pursuant to 10 M.R.S.A. Subsection 1393.**

I hereby agree to comply with the above terms and rates and accept that my boat will be handled and stored at my risk except for negligence by Webhannet River Boat Yard, Inc. Webhannet River Boat Yard, Inc. is not responsible for theft, vandalism or damage by wind, storm, etc. on moorings, floats or in storage. It is the Owner's responsibility to carry insurance coverage's for any above mentioned losses.
